Alex Scott and Staff have embraced our regional communities for more than 130 years and we've enjoyed seeing positive change in our region. We're part of supporting and enhancing individual, family and community success and a large part of that involves change. Changing homes. Changing lifestyle goals as families grow and as our property priorities change too. Autumn signifies a period of change and provides a wonderful opportunity to change your property and realise your lifestyle aspirations.

Call our expert, friendly team and see how a change of scenery can make a positive difference to your lifestyle. Alex Scott and Staff - proudly building enduring relationships and contributing to the success of our region.
